- (4) Report of the Commission. In each election year, the Commission shall compile a report on the judicial performance of each judge or justice standing for retention, which shall include: a summary of the results of the survey forms as to the judge or justice; a summary of any written or oral public comments received by the Commission pursuant to Rule 2(g)(3) that the Commission deems pertinent; any biographical or other data on such judge or justice which are deemed pertinent by the Commission; the Commission's finding as to whether the judge or justice has failed to cooperate with the judicial performance review process; and the Commission's finding as to whether the judge or justice "meets" or "does not meet" judicial performance standards. The report shall be formatted in such a manner that judges whom the commission determine do not meet judicial performance standards shall be segregated and listed before those that do meet standards. Should the Commission find that a judge or justice has failed to cooperate during the judicial performance review process, the report shall identify the conduct upon which the finding is based. The Commission shall disseminate its report and, except as provided in Rule 7, any other information which the Commission deems relevant to the retention decision, to the public and the judge or justice being reviewed no earlier than the public vote and not later than the earliest date for receipt by registered voters of any requested early ballots for the general election pursuant to A.R.S. § 16-542(a). The commission's report shall be distributed to the public by publication in the secretary of state's voter information pamphlet pursuant to A.R.S. § 19-123(5), through the judicial performance review website, and by other means deemed necessary to reach voters in the state.
